First Renewal**

Title: SFS 7-090506 – Concrete Maturity Meters

Description: The Missouri Department of Transportation, (MoDOT) has determined that only one source; Engius, located in Stillwater, OK can provide the department with Concrete Maturity Meter(s) (CMM) for each District's Construction Office. The CMM from Engius, *intelliRock*® Readers and software, offering unique capabilities such as the ability to have one reader for several loggers. This reduces the overall equipment requirements since one reader can be used for several locations/instrumented applications (temperature loggers embedded in concrete). Also this would reduce potential compatibility problems between existing equipment and future purchases. MoDOT intends to purchase ten starter kits, which include one reader and ten loggers per kit. This purchase will not exceed \$50,000 the original contract period.
